You probably know The Groewood offers an atmosphere that is clean, friendly and relaxed. You may also know that our menu features "familiar-exotic" foods from around the world at down-to-Earth prices. But you may not know that we host a variety of celebrations here, too – from corporate meetings and parties to personal celebrations like holiday, birthday and anniversary parties, too.

Location is Everything

Our uniquely exotic yet familiar menu will be a hit with everyone and our award-winning wine and beer selections will make for a festive environment sure to please everyone.

Personal Service

We can host gatherings from 10 to 40 people. We'll section off our dining room for your gathering so you have the comfort you expect with the privacy you want for your guests. Our professional staff will make a good impression with your guests, which will reflect nicely on you.

Custom Design

Call us at 216/531-4900 and speak with a manager, or leave us a message and we'll get back to you right away. We'll work with you to create a one-of-a-kind buffet of our best dishes that fit your tastes, the nature of your event and your budget. Or, if you prefer, we can also work with you to create a limited menu for a sit down affair. The choice is yours – we're at your service.

Raise the Bar

Our great food and warm surroundings are just part of our allure. You can purchase select wines and a variety of beers for your guests to enjoy or you can allow them to purchase whatever they like on a pay-as-they-go basis. We'll come up with a formula that fits your needs.
